RJ45 UTP plug Cat6 for AWG23-24 stranded/solid conductor
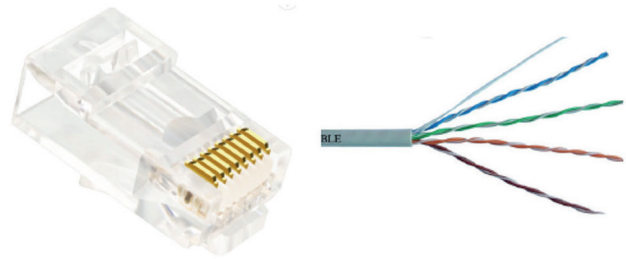

Item no.: LVN125305

PRODUCT OVERVIEW

RJ45 plug used for mounting on stranded/solid cable. New terminating principle (easy connect) simplifies the terminating by allowing the conductors to be pulled through the front of the connector. The performance is optimized by the reduction of distance between pair twist and contact pins.
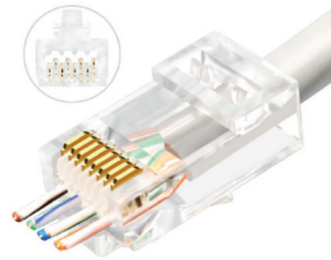

SPECIFICATIONS

Type	RJ45 plug UTP
Pins	8P8C
Conductor type	AWG 23-24
Category	6
Frequency	250 MHz
Packing	50 plugs + 50 boots

**1) MOUNTING OF LANVIEW
EASY CONNECT RJ45 PLUG ON CABLE**

2) LANVIEW EASY CONNECT CRIMPING TOOL PROVIDES:
- **RELIEF OF CABLE**
- **CRIMPS THE 8 PINS**
- **REMOVAL OF EXCESS CABLE**

Item no: LVN125456
